REGISTRATION / WAIVER

THANKS FOR YOUR HELP!

Thank you so much for participating in CJLY’s FUN RUN/WALK, your efforts will go a long way towards easing the significant financial strain that the station has been experiencing during these lean economic times. While we do not yet have charitable status to enable us to give you a tax receipt, you can rest assured that every penny you send to us will be put to good use in keeping our signal alive.

The Board and their committees of volunteers worked hard to trim KCR’s budget to the bone. Our expected revenue and expenses have been reduced by 8% from last year’s actual expenses. However, we are still experiencing serious cash flow problems at some times of the year. With potential increases from broadcasting fee & tariff collection agencies the next year will see further financial challenges in community radio.
